

# Certificate

**Jetstone Verkoop BV**

Florijn 9

5751 PC Deurne

Netherlands

It is certified that *individual supply chains* of natural stones, which the company **Jetstone Verkoop BV** procures from **India**, are subject to the certification procedure of XertifiX. It is certified that unannounced, independent inspections have taken place in the quarries and at the natural stone processing units, and that compliance with the ILO core labor standards (including no child and forced labor), the implementation of improved working conditions, the consideration of minimum ecological criteria and traceability to the manufacturer (proof of origin) has been ensured. The controls are repeated regularly.

**Each delivery is certified separately by XertifiX seals on the boxes or by a document seal for loose goods.**

Period of validity of the certificate: 2022

Hannover, 07<sup>th</sup> January 2022

---

Dr. Walter Schmidt, CEO of XertifiX e.V.
